

## **SDF OPENS A SUB-SAHARAN SUBSIDIARY AND FURTHER STRATEGY FOR INTERNATIONAL GROWTH**

*Treviglio (BG), 17<sup>th</sup> march 2025* - SDF, an Italian multinational company based in Treviglio (BG), one of the largest tractors, harvesters, autonomous electric tractors and diesel engines manufacturers in the world, inaugurates the commercial subsidiary “Same Deutz-Fahr Tanzania Limited”.

The subsidiary will take care of the commercial management of East and Southern Africa, including after-sales services.

The agriculture of the African continent, in particular the Sub-Saharan and Eastern African area, needs investments and machinery to increase productivity and support the young and growing population.

The new sub-Saharan subsidiary, which joins the 15 branches present in Europe, Asia and America, the 155 importers and more than 3,100 dealers all over the world, is a further important step in the development of SDF's commercial network, pursuing a strategy of increasing internationalisation that was expanded last year with the opening of the Mexican subsidiary in Santiago de Querétaro.
